

*Kwon sports flooring is suitable for many different applications.*

**1 CLUB LINE reversible Interlocking mat**

Reversible red/blue mat Interlocking mat with non-slip surface. Weight only 2 kg, easy assembly, very good value for the price.

Measurements: 1 m x 1 m x 2 cm

red/blue (1 m<sup>2</sup>) **Art.No. 55 90010 01**

**2 Reversible mat Korea red/blue 2,0 cm**

Made of high quality EVA material with a newly designed strong non-slip surface. Can be connected with the Club Line interlocking mat, Art.Nr. 559001001 (which has a different surface pattern).

Made in Korea. Mat features KWON embossing.

Dimensions: 1 m x 1 m x 2 cm

red/blue **Art.No. 90 010 07**

**3 Mat reversible WTF rec. WTF**

Designed as a safety flooring for Karate, Taekwondo, Kickboxing, Aerobics, etc. The two-coloured reversible mats allow a flexible put down and save lots of space. The mat is available in red/blue.

Measures: 1 x 1 m, weighs approx. 3500 g and is approx. 24 mm thick. The mat is easily storable and can be assembled very quickly. The jigsaw edges ensure secure interlocking of each mat. When joined together the mats produce a safe non-slip area.

We please you to take note of above changes and apologize for any inconveniences.

Measurements: 1 m x 1 m x 2,4 cm

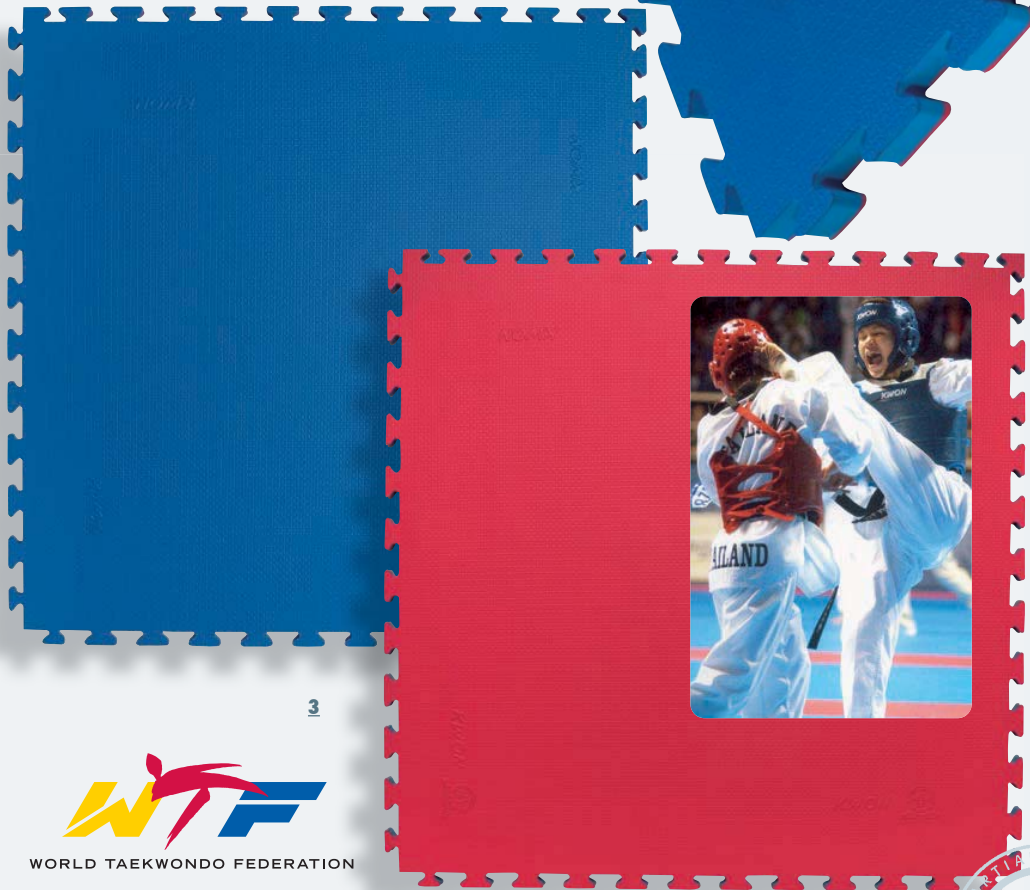

red/blue (1 m<sup>2</sup>) **Art.no. 55 90010 05**

**4 Reversible mat Korea WTF rec. WTF**

Made of high quality EVA material with a newly designed strong non slip surface. Can also be connected with the KWON WTF rec mat Art. 559001005 (which has a different surface pattern). Made in Korea.

Measurement approx.: 1 m x 1 m x 2,4 cm

red/blue (1 m<sup>2</sup>) **Art.No. 90 010 06**
